

**AMENDMENT**

Kindly amend the application, without prejudice, without admission, without surrender of subject matter, and without any intention of creating any estoppel as to equivalents, as follows.

**In the Drawings:**

Replace the previously filed drawings of Figures 1-19 with the enclosed Replacement Sheets of Figures 1-19.

### **REMARKS**

Consideration and entry of this amendment prior to issuance of a patent from the present application is respectfully requested.

The Notice of Allowability indicated that the drawings require changes as set forth in the Notice of Draftperson's Patent Drawing Review mailed January 8, 1993. Hence, Applicant submits herein Replacement Sheets for Figures 1-19 to address the Notice of Draftperson's Patent Drawing Review and meet the standards set forth under 37 C.F.R. § 1.84. No new matter is added.

The Notice of Allowability also contained an Examiner's Amendment, which referred to an email that proposed an amendment to claim 53. For completeness, Applicant provides herein a copy of the email.

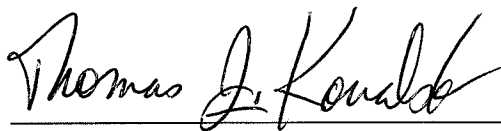

### **CONCLUSION**

In view of the remarks and amendments herewith and those of record, the application remains in condition for allowance. Favorable reconsideration of the application and prompt issuance of a revised Notice of Allowance are earnestly solicited. The undersigned looks forward to hearing favorably from the Examiner at an early date.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
